Sir:

This Petition is submitted with a Certificate of Correction under 37 CFR § 1.323, which has been filed for the purpose of correcting the assignee name on the first page of the above-identified patent, hereinafter referred to as the 753 patent.

More specifically, on the Notice of Allowance and Fee(s) Due (Form PTOL-85), Petitioner identified LG Electronics Inc. as the Assignee for the 498 patent. However, the following assignees should have been identified: (1) LG-NORTEL CO., LTD. A copy of the PTO Assignment Query is attached.

The failure to identify the correct assignee on Form PTOL-85 was the result of inadvertent error. The Certificate of Correction filed with this paper seeks to correct the patent to identify the correct assignee (as identified above).
